

Inviting a Guest Speaker

Student Reflection

Student Name: _____

Date: _____

Overview:

Today, we had the privilege of hosting a guest speaker who shared their expertise and insights. To help you reflect on the information and perspectives you gained from their presentation, we have prepared this short activity. This activity will encourage you to delve deeper into the key takeaways, personal connections, and thought-provoking moments you experienced during the guest speaker's talk.

Reflect On The Following Questions:

1) Did you find any aspects of the speaker's message particularly relevant to your own life, interests, or career goals?

2) What questions did the guest speaker's presentation raise for you? Did it provide you with any new insights or perspectives on the topic they discussed?

Inviting a Guest Speaker

Student Reflection

Student Name: _____

Overview:

Today, we had the privilege of hosting a guest speaker who shared their expertise and insights. To help you reflect on the information and perspectives you gained from their presentation, we have prepared this short activity. This activity will encourage you to delve deeper into the key takeaways, personal connections, and thought-provoking moments you experienced during the guest speaker's talk.

Reflect On The Following Questions:

3) How does the content presented by the guest speaker relate to what we've been studying in this course? Can you identify any connections between their presentation and our class discussions or readings?

4) Based on what you've learned from the guest speaker, do you have any ideas for actions you could take or further research you could conduct? How might this experience influence your future academic or career plans?
