JOB SHADOWING PROGRAM

PREPARATION ACTIVITY

Questions to ask during your Job Shadow Assignment. Ask at least two questions from each category:

Personal and Career Development:

10. How did you get started in your career, and what path led you to your current role?

11. What advice would you give to someone interested in pursuing a similar career?

12. What do you find most rewarding about your job?

13. How do you manage a work-life balance in this role?

Industry Trends and Networking:

14. How do you see this profession and the industry evolving in the next 5-10 years?

15. Are there any emerging technologies or trends that professionals in this field should be aware of?

16. How does the industry respond to challenges such as changing regulations or technological disruptions?

17. How important is networking in this field, and how do you approach building professional relationships?

18. Are there professional organizations or events that are particularly valuable for individuals in this industry?

Remember, these questions are just a starting point. Feel free to adapt and customize them based on the specific role, industry, and company you are shadowing. Also, make sure to actively listen to the responses and ask follow-up questions to dive deeper into the topics that interest you most.
