

# SCHOOL-BASED ENTERPRISE

## BUILD A BUSINESS ACTIVITY

**A school-based enterprise** is a business managed by students, supported by teachers, that provides goods or services to the school. It teaches valuable entrepreneurial skills.

DATE:

STUDENT NAME:

Have you ever thought about starting a business? What goods or services would it offer?

---

---

---

---

---

What types of goods or services would you like to see offered at our school? Rank them in order of importance.

1.

2.

3.

What are some of the potential challenges and benefits of a school-based enterprise to our school community?

---

---

---

---

---

For your school-based enterprise poster, jot down a few reasons why your idea is essential for our school community.

---

---

---

---

---

Rank, in order of importance to our school community, the three most important school-based enterprises and why.
