

# YOUSCIENCE "I AM" COLLAGE STUDENT REFLECTION

Reflection is a powerful way to deepen your understanding and connect more personally with what you learn. As you finalize your "I Am" Collage, take a few moments to ponder your experience and insights from this activity.

DATE:

STUDENT NAME:

Was there a talent you identified in the "I Am" Collage that you weren't previously aware of? How did it make you feel to discover this about yourself?

---

---

---

---

---

---

As you observed the collages crafted by your classmates, did a particular talent someone else showcased catch your attention or surprise you? Contemplate and express the potential impact of that talent when working collaboratively in a team?

---

---

---

---

---

---

---

---

---

---

Reflect on the talents you've illustrated. How could these strengths potentially shape your academic pursuits, hobbies, and eventual career aspirations?

---

---

---

---

---

During the collage-making process, what element did you find particularly captivating or, on the contrary, challenging? Dive into the reasons behind your sentiments.
